Rifle and Revolver Cartridges WIN

U. S. GOVERNMENT ACCURACY TESTS

The U.S. Government experts, after a series of exhaustive tests, selected Winchester Rifle Cartridges for use by the picked riflemen of the World who are to compete in the International Matches of 1913. All Winchester Cartridges are made by the same modern system, and of the same high grade materials as those which won the stamp of superiority from the U.S. Government experts. For that reason it pays to use Winchester cartridges in any make of rifle, revolver or pistol. Ask for Winchester make, the W brand, and the results will repay you for your trouble. They are
